AWAIT WILSON'S WORDS
AT PRESS CLUB'S DINNER

Democrats Attach Much Importance to President's First Public Address Since Renomination.

Unusual importance is attached to the speech which President Wilson will make to the New York Press Club at its annual dinner in the Waldorf-Astoria Hotel next Friday night. Though the gathering is in no sense political, great significance is attached to the President's utterances. It will be his first public address since his renomination. The President will be accompanied to New York by Mrs. Wilson, Secretary Tumulty and Dr. Cary Grayson. Among the speakers will be Major Mitchell, Ralph Pulitzer, Irvin Cobb, Bainbridge Colby, who nominated Mr. Roosevelt, and E. P. Howard, President of the club. Anna Fitzgibbon, the celebrated Metropolitan Opera prima donna, will sing the national anthem. The Dinner Committee, the Chairman of which is Herbert B. Swopes, city editor of The World, has made arrangements for 600 guests. Some who will be present are Theodore N. Vail, Jacob H. Schiff, James Speyer, Melville E. Stone, John H. Stanchfield, August Belmont, Dudley Field Malone, W. R. McComb, James H. Brady, John R. Ryan, Robert H. Gary and Vance McCormick, Chairman of the Democratic National Committee.

SOLAS CONVICTION UPSET.

Court of Appeals Finds No Fraud in Tobacco Sales to Government. The United States Circuit Court of Appeals has reversed the conviction of Jacob L. Solas who was found guilty in May, 1915, in the District Court of conspiracy to defraud the Government in sales of tobacco to the Commissary Department of the Canal Zone.

The reversal is not alone on the ground that the court did not have jurisdiction, but that no crime was committed. The court states that no actual loss was proved to have been sustained in the purchase of the tobacco, and that the price paid was not shown to be unfair.

"We discovered nothing in the evidence," says the court, "to justify the jury in finding, at least beyond reasonable doubt, that Solas knew anything about these complicated relations, or that the United States was buying this tobacco through the railroad company."

Cake Preserved 35 Years.

(From the Cincinnati Times-Star.) What is believed to be the oldest wedding cake in the world is owned by Mr. and Mrs. A. D. Hovey of Chardon, O. It was made for their marriage thirty-five years ago by Mrs. Henry Knowles of Cleveland, who had it frosted and decorated by a city baker. The cake, which is of fruit, is still in an excellent state of preservation.
